

PRESS RELEASE

February 22, 2018

## The World Gastronomy Institute launches the publication "Global Report 2018 - A Gastronomic Planet".

Recently a Call for Authors has been called, that have been answered by dozens of Doctors, Professors and Experts from all over the world, who are working on their articles. The publication will be officially presented in June 2018.

The WGI Global Report, entitled «A Gastronomic Planet», will be prepared and edited annually to offer a complete overview of gastronomy in the world, through the articles of specialists, experts and professors.

This report will be officially presented in 2018, in a Public Event that will be held in the facilities of an important Institution of international repercussion.

All WGI Advisory Council Members are INVITED to participate contributing an article. The call is open to specialists who want to contribute an interesting article on international cuisine or specific cases in their countries.

The Topics we recommend writing about are: Food Tourism, Alimentary Technology, Anthropology, Heritage, Marketing, Education, Institutional, Hospitality, Development, Food Culture, Culinary Arts, Agroalimentary Products, Sustainability, and Future.

The approach depends on each Author and can include numerous perspectives and points of view: Global and Local Trends, Cases Studies, Research and Development Works, Markets, Cooperation, Scientific Research, Professional Experiences, Analysis, Author Reflections and others.

The objective is to focus on the different related issues, to promote analysis and attention on different issues and problems related to gastronomy in the world, to inform and raise awareness as well as to awaken vocations and involve Public and Private Institutions and Administrations.

This «Global Report 2018» can and should affect the fact that living the people.
